

North Carolina FY2017 AmeriCorps Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for North Carolina. State formula and state competitive funding will be awarded to the North Carolina Commission on Volunteerism and Community Service, the Governor-appointed State Service Commission. National direct funding will be awarded to grantees headquartered in North Carolina that are operating in more than one state. North Carolina AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
State Formula	\$3,723,037
State Competitive	\$295,497
National Direct	\$336,000
Education Awards	\$1,611,770
Total CNCS Funding Awarded to North Carolina	\$5,966,304

In addition to the federal funding from CNCS, these AmeriCorps grantees will leverage an additional **\$10,601,273** in matching support and other resources. Together, they will engage a total of **295** AmeriCorps members in national service.
